

\$1,147,000 in Community Campaign Funding for Health Programs including:

PROGRAM NAME: Community Living Skills

PARTNER AGENCY: Aurora of CNY - **UWCNY FUNDING:** \$70,000

Aurora's Community Living Skills Program for People with Vision/Hearing Loss assists individuals of all ages who are blind, visually impaired, deaf, or hard of hearing to remain independent, safe and productive in their homes and the community by providing support, resources and specialized training. Program participants learn skills for coping, adjustment to sensory loss, safe travel, household management, and activities of daily living to achieve their goals of independence and overall personal health and well-being.

PROGRAM NAME: Violence Prevention

PARTNER AGENCY: Center for Community Alternatives - **UWCNY FUNDING:** \$35,000

The Alternatives Violence Prevention and Peer Leadership Program provides violence prevention training, leadership development, and stipends for Violence Prevention Peer Facilitators. The target population is youth at risk of school dropout and the "school to prison pipeline." The program is part of CCA's After School Alternatives program at the Public Service Leadership Academy at Fowler High School and coordinates with CCA's Student Advocate and Transition Coach programs. The program provides youth with opportunities to understand personal triggers that lead to violent behavior and how to control them; to learn communication skills and to participate in team building activities; and to teach these skills to their peers at youth-serving community organizations..

PROGRAM NAME: Family Preservation

PARTNER AGENCY: Hillside Children's Center - **UWCNY FUNDING:** \$24,000

Hillside Children's Center's Family Preservation Initiative (FPI) is a short-term, intensive clinical service designed to help build strength, resources, and supports for families in crisis. Our program aims to stabilize families, to keep youth from being placed in foster care, and to promote family reunification by helping youth return home from foster care. FPI partners with families to identify and create supportive permanent connections.. The program also connects families with other community services that help the family to maintain safety and stability.

PROGRAM NAME: Senior Services

PARTNER AGENCY: Salvation Army -- **UWCNY FUNDING:** \$45,000

The Salvation Army Senior Services program provides a continuum of community-based non-residential services to help eligible adults and seniors maintain a high degree of independence, and reduce isolation, with the main focus on keeping individuals in the community. Senior Services include several different programs, including the senior day center, community outreach, and the Pathways to Independence program which supports individuals transitioning from nursing homes to community settings. The programs refer to one another allowing The Salvation Army to provide a continuum of services for individuals by offering case management, support and advocacy services and housing assistance. All of the programs are designed with the goal of maximizing levels of physical and emotional health and well-being.
