

Initiatives working to make our community a better place.

A free informational phone & website service to answer your human services questions.

This program gives the unemployed a chance to learn new skills and connect them to local companies in need of workers.

CA\$H works to ensure working families receive all the tax benefits they are entitled to.

A coalition working for the health and success of all children in school and in life.

Greater Syracuse Hope (Healing, Opportunity, Prosperity & Empowerment) is finding pathways out of poverty.

Housing & Homeless Coalition works to prevent and reduce homelessness by providing linkages between service providers, working with the homeless and formerly homeless.

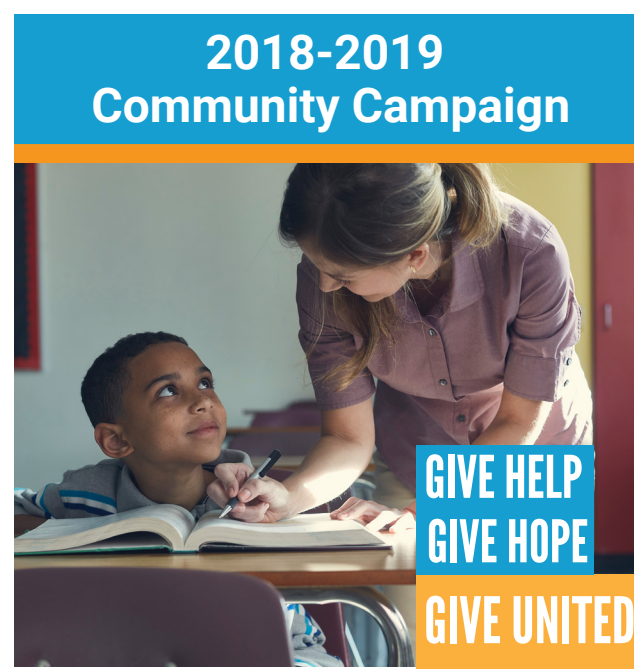

Want to learn about volunteer opportunities? Check out this website!

Our combined dollars do much more than they could on their own, supporting a wide spectrum of services. Whether it is young woman who loses her sight, a teen paralyzed in a diving accident, or a mother seeking shelter from abuse, **your donation is their safety net.**

Seniors on limited income are able to remain independent with services provided through United Way of CNY funding. 3,000 of our elderly neighbors are helped with everyday living assistance through your Community Campaign donation.

Thank you for supporting the Community Campaign. You can count on a guaranteed return on your investment: help and hope for those in need. Because of you, people across our community receive assistance to move beyond challenges. Your generosity creates pathways to success.

United we can make the most difference.

Jeremy Thurston
2018-2019
Community Campaign Chair
The Hayner Hoyt Corporation
