

HELPING ALICE

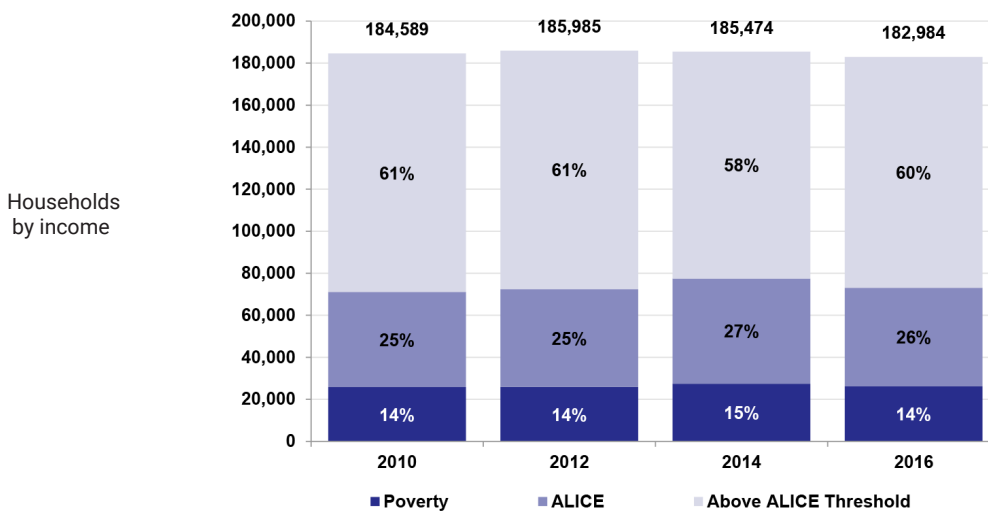

ALICE stands for:

ASSET **L**IMITED **I**NCOME **C**ONSTRAINED **E**MPLOYED

You know ALICE. Your neighbor, your hairdresser, the checkout person at the register, the server at your favorite spot, you....**anyone could be ALICE.** People living paycheck to paycheck and only one major car repair away from falling into poverty.

In Onondaga County 26% of all households are ALICE.

United Way of Central New York funds programs through our partner agencies, initiatives and collaborations that are helping ALICE with services including:

- Finding affordable daycare
- Free tax preparation to ensure people benefit from available tax credits
- Food pantry programs
- Low cost healthcare options
