

United Way of Central New York
Gifts In Kind Participation Application
 July 1, 2018 to June 30, 2019

United Way of Central New York's Gifts In Kind program is locally run and manages large-scale donations of goods from both local and national companies, matching those gifts with member non-profit agencies that can use them best. This support helps non-profits hold down overhead costs, expand capabilities, and ultimately serve more people in the community. The program also promotes environmental stewardship through the reuse and recycling of goods in the community.

An annual fee of \$100.00 includes weekly access to the Gifts In Kind staging room, participation in our monthly Distribution Day, as well as other special events.

Please be sure to include a copy of your agency's IRS 501(c)3 Determination Letter which is required to be on file for tax purposes.
