

EFSP NATIONAL BOARD PROGRAM

APPLICATION FOR FUNDING

PHASE 37

The Emergency Food and Shelter Program (EFSP) is a federal program governed since 1983 by a National Board of nonprofit agencies chaired by the Federal Emergency Management Agency (FEMA). The intent of this program is the purchase of food and shelter to supplement and expand current available resources – not to substitute or reimburse ongoing programs and services or to start new programs. EFSP funds are allocated to Local Boards.

This document provides information regarding the EFSP Phase 37 funding process in Onondaga County. For more information, please visit the national website <http://www.efsp.unitedway.org>

AWARD PLAN FOR ONONDAGA COUNTY

Local Board Members

The Onondaga County Local Board, totaling twenty-three members, consists of the same agencies that serve on the National Board, as well as representatives from other local nonprofits, city and county government, and one homeless advocate. The Local Board will administer the EFSP funds for the Onondaga County jurisdiction.

Duties of Local Board

The Local Board will advertise the program, decide which agencies will receive awards, establish an appeals process, monitor grant expenditures and submit reports to the National Board.

Procedures

The Local Board will send an announcement to local media, to agencies known to be providing emergency food or shelter, and to anyone who has asked to be notified when funds are available. The Local Board will review all applications filed by the deadline. The Local Board will then recommend and finalize grant amounts to applicant agencies.

Submission of an application is not a guarantee that an allocation will be awarded. Each applicant will receive written notice of the decision. Agencies wishing to appeal the Local Board's decision must file written notice within 10 business days.

United Way of Central New York will handle all staff functions of the Local Board, including communication with applicants, processing awards, monitoring expenditures, and filing reports with the National Board.

Local Board Objectives

In meeting its responsibilities under the National Board's principles, the Local Board will strive to:

- serve the largest possible number of needy persons throughout Onondaga County;
- ensure that people, including those with special needs, have reasonable access to assistance;
- equip and maintain shelters and food programs for ongoing service; and
- coordinate the distribution of food and provision of shelter and financial assistance with other programs.

Additionally:

- The local EFSP Board has determined that the most effective distribution of funds within the "Other Food" category is through umbrella organizations. The Board encourages individual food pantries to contact the Food Bank of Central New York (315-437-1899) to determine eligibility for assistance.
- The local EFSP Board has determined that the distribution of "Mass Shelter" funds will be based on shelter nights provided.

Local Board Priorities

Priority consideration for funding will be given to agencies which:

- have a demonstrated capacity to efficiently serve their community;
- provide ongoing emergency assistance in areas of high need or to people with special needs;
- can expand or maintain emergency services; and
- coordinate services with other agencies.

The Local Board has identified this priority so that help may be available to as many people as possible. Agencies serving multiple communities will have priority over agencies serving a single municipality or township.

GENERAL INFORMATION

Applicant agencies should thoroughly review supplemental information about the program prior to completing the application documentation, including:

- the Emergency Food and Shelter National Board Program Phase 37 Responsibilities and Requirements;
- additional information provided by EFSP National Board (e.g. Key Changes and Guideline Clarifications, etc.); and
- the Onondaga County EFSP Appeals Process (available by request to Meredith Ouderkirk).

Please note the following information pertaining to EFSP grants:

No funding will be given for:

- holiday food distribution or special events
- second stage or transitional housing programs
- recovery homes
- services for which clients pay fees
- anticipated need (i.e. fire victims, floods, etc.)

No one may be charged a fee for services funded by this grant.

Successful applicants (i.e. Local Recipient Organizations; LRO) must keep documentation of all grant expenditures for three years after the grant expires.

Documentation required by the National Board includes copies of both sides of the canceled check and an itemized invoice from the vendor. If a LRO cannot provide copies of both sides of the canceled check because the LRO's bank does not return checks, then either of the following items are acceptable alternatives:

- facsimile copies of canceled check (front) from the LRO's checking account statements and written confirmation from the bank that only facsimile copies are provided on the account; or
- LRO's checking account statements along with a copy of the check when it is issued by the agency and written confirmation from the bank that canceled checks are not returned for the account.

Suspected fraud or misuse of federal funds must be reported to the Office of the Inspector General, Federal Emergency Management Agency, 1-800-323-8603.

Deadline: We must receive your application by **12:00 p.m. (noon), on Wednesday, May 20th**. Late applications will not be considered, unless otherwise communicated with Meredith Ouderkirk.

Where to Apply: The application and all attachments must be submitted electronically to Meredith Ouderkirk at MOuderkirk@unitedway-cny.org before the deadline. Alternatively, you may mail or deliver the original, signed copy of the application and any required documents to: Meredith Ouderkirk, Onondaga County Local EFSP Board, United Way of Central New York, 980 James Street, Syracuse, New York, 13220-2129. The office is open weekdays from 8:30 a.m. to 4:30 p.m. The current situation with COVID-19 may affect these hours. To coordinate a hand-delivery to the office, please call Meredith at (315) 428-2220.

Eligibility: Eligible agencies must be 501(c)(3) nonprofits or part of the local government; be eligible to receive federal funds; have an accounting system; have a Data Universal Number System (DUNS); adhere to acceptable nondiscrimination policies; be capable of delivering the proposed programs; and, conduct an independent annual audit if receiving \$50,000 or more in EFSP funds, or, conduct an annual accountant's review if receiving \$25,000 to \$49,999 in EFSP funds.

Agencies wishing to receive EFSP dollars but lacking an adequate accounting system need a fiscal agent, an agency that maintains all EFSP financial records for another agency. A qualified fiscal agent is a nonprofit or government agency whose funds are independently audited. A fiscal conduit is an EFSP-funded agency that maintains all EFSP financial records on behalf of one or more agencies under a single grant. The fiscal agent/fiscal conduit is the organization responsible for the receipt of funds, disbursement of funds to vendors, and documentation of funds received. The fiscal agent/fiscal conduit must meet all requirements of an LRO. Please review the LRO certification sheet beginning on page 14 for requirements. A fiscal conduit agency acting as a network of individual members must submit the required application materials; the individual members in the network do not have to submit individual information.

Required Documents: All applicant agencies must submit a signed Local Recipient Organization certification form (page 12 & 13 of this packet). Agencies required to have an audit must submit the most recent one available, unless already on file with United Way of Central New York. If the applicant agency is using a fiscal agent/fiscal conduit, they must submit a signed Fiscal Agent/Fiscal Conduit Agency Relationship Certification Form (page 14 & 15 of this packet). The CERTIFICATION REGARDING LOBBYING (page 16 of this packet) must be submitted by Local Recipient Organizations receiving more than \$100,000 in EFSP Funds.

All applicant agencies must also submit:

- proof of New York State incorporation as a nonprofit agency (if not on file with United Way);
- proof of IRS certification of 501(c)(3) status (if not on file with United Way); and
- applicant agency's Board of Directors roster (if not on file with United Way).

Geographic Area Covered by Application: Onondaga County.

Allowable Costs: Please consult the *Responsibilities & Requirement* document to determine eligible costs for each EFSP funding category.

Amount of Funding Available for Phase 37: The total Onondaga County award is \$178,359 in Phase 37 funding.

Grant Period: The start date of the Phase 37 grant period is to be determined by the EFSP National Board. The end date will be determined by the Local Board. Eligible expenditures made during the Phase 37 grant period, or, by such other date as allowed by the national EFSP program, may be charged to the grant. Most grants will be paid in two equal installments.

For Assistance with Application: Please contact Meredith Ouderkirk at United Way of Central New York at (315) 428-2220 or mouderkirk@unitedway-cny.org.
